 - b) To attend all lectures/ practical training/ industrial training/ practicum/ clinical training specified by the University;
 - c) To complete the registration exercises in the course enrolled within the specified time;
 - d) To pay the stipulated amount of the University's fees within the stipulated time.
4. Be responsible to fulfill all requirements of his diploma/bachelor degree programme and of his own progress towards the completion of those requirements.
5. Avoid reproducing or imitating closely the work and/or opinion of others obtained through prints or electronic materials without acknowledging or disclosing their source(s).

GLOSSARY

The **'Universiti Kuala Lumpur (UniKL)'** was incorporated and established in 2002 as a private institution of higher learning under the Private Higher Education Act 1955 (Act 555).

The **'University'** is the Universiti Kuala Lumpur.

The **'Constitution'** refers to the Constitution of Universiti Kuala Lumpur.

The **'Senate'** refers to the **Senate of Universiti Kuala Lumpur** which is the highest authority on academic matters at the University constituted under Article 23 of the UniKL Constitution.

The **'President'** is the **Chief Executive Officer'** or whom so ever who holds the office of the Chief Executive as provided by Article 10 of the UniKL Constitution. He is the highest executive appointed by the Board of Directors of UniKL to manage and administer the operations of UniKL.

The **Institute** is the learning centre where the academic programmes of the University are delivered.

The **'Dean'** is appointed by the University as the head of academic at the institute.

An **'Academic Programme'** is the programme of study specified by UniKL for the conferment of a diploma or a bachelor's degree.

An **'Academic Staff'** is a teaching professional appointed by University. These include professors, associate professors, senior lecturers, lecturers, specialist and any person who is hired to teach at the University.

APEL (C) is the awards of credits for the prior experiential learning towards a course in an accredited academic programme.

'Credit' is the measure of students' academic load in order to attain a set of learning outcomes. An academic load is a quantitative measure of all students' learning time (SLT) which encompasses guided and independent learning activities. The 40 hours of notional learning time is valued as 1 (one) credit.

The **'University Academic Committee'** is the committee elected by the University to manage issues pertaining to academic matters.

The **'University Examination Board Committee'** is the committee elected by the University to approve results and grades of the University's assessments.

The **'Institute Examination Board'** is the committee formed by the institute to handle all matters pertaining to examinations.

A **‘Course’** is a unit of study which forms the building blocks of a programme, with content, learning and teaching activities, as well as assessment methods that support the attainment of specific learning outcomes. Courses are divided into Compulsory Courses and Core Courses, with Core Courses being further divided into two categories; Common Core and Discipline Core (MQA, 2014, p.32). This term is often used interchangeably with ‘subject’.

‘Coursework’ refers to assignments that are assessed and evaluated in which the results contributed to the final grade. A student’s academic performance is evaluated in the form of coursework throughout a semester and a final examination at the end of the semester. However, in some courses, the assessment, are based only on coursework.

‘Examinations’ refer to any form of evaluation based on a list of questions administered to students for the purpose of assessing their academic achievement.

‘Students’ refer to those who have properly registered into the University’s academic programmes and undergone programmes of study that enable them to obtain their diploma and bachelor’s degree.

‘New Students’ are students who are registered with the University for the first time in a particular programme.

‘Returning Students’ are students who are allowed to proceed to the next semester of their studies.

He/Him/His – The usage of the terms apply to male and female students/staff.

One **‘Academic Year’** consists of two semesters of 17 weeks of teaching and learning. However, certain programmes may follow different forms of academic year.

A **‘Semester’** is a study session allocated by the University’s Senate for lectures, assessments and similar instructional activities.

‘Semester Registration’ is the process to activate the academic status of the students.

‘GPA’ (Grade Point Average) is the average of grade points received in a particular semester.

‘CGPA’ (Cummulative Grade Point Average) is the accumulated average of grade points received in all semesters attended.

ACADEMIC RULES AND REGULATION

1.0 THE ACADEMIC YEAR

1.1 The University's Academic Year is divided into two long semesters that are the January and the July Semesters.

1.2 The academic year is divided as illustrated in Table 1:

Table 1: Academic Year*

JANUARY SEMESTER	
Welcoming and Orientation Week	1 week
Classes	10 weeks
Mid-semester Break	1 week
Classes	7 weeks
Revision	5 days
Examinations	2 weeks
Total Academic Weeks	22 weeks
Semester Break #	4 weeks
JULY SEMESTER	
Welcoming and Orientation Week	1 week
Classes	7 weeks
Mid-semester Break	1 week
Classes	10 weeks
Revision	5 days
Examinations	2 weeks
Total Academic Weeks	22 weeks
Semester Break	4 weeks
TOTAL	52 weeks

Important Note:

* The academic year is subject to change.

** Some programmes conducted at UniKL may adopt different academic calendar(s).

The duration of semester break may change from time to time.

2.0 STUDENT STATUS

2.1 Student status is based on the following conditions:

A student must have:

- 2.1.1 registered as a student with the University for the academic programme during the stipulated registration duration;
- 2.1.2 registered for courses stipulated in the study plan for the said semester within the specified duration; and
- 2.1.3 paid for his tuition fees.

3.0 SEMESTER REGISTRATION

3.1 All students must register their academic semester online within the time stated by the University with all related payments must be paid prior to registration.

3.2 Registration Period

- 3.2.1 Registrations are opened until the Friday before the first week of the new academic semester.

3.3 Late registration

- 3.3.1 Registration is opened from Monday to Friday of the first week of the new academic semester and will be subjected to a fine of RM50.

3.4 Students are responsible to notify Academic Services of Institute if they are unable to register during the stated period.

3.5 If a student fails to register his academic semester within the specified period without any valid reason formally informed, his student's status will be deferred or he will be dismissed from the University.

- 3.5.1 The deferred semester will be included in the duration of his study.

3.6 Details of deferment and termination of study are provided in 7.0.

4.0 COURSE REGISTRATION

4.1 Course Registration Requirements

4.1.1 Students **MUST** register for their courses every semester.

4.1.2 Students will not be allowed to attempt examinations for unregistered courses.

4.1.3 If a student fails to register any course within the specified period, without valid reasons acceptable and approved by the Dean

- i) his semester registration will be revoked; and
- ii) his student's status will be deferred or terminated

4.1.4 Course registration **MUST** be done and completed within the pre-registration or add course period.

4.1.5 Students **MUST** register for the course with the right code and group.

4.2 Pre-Registration of Courses

4.2.1 A returning student **MUST** do Pre-Registration of courses that he intends to take in the following semester.

4.2.2 Pre-Registration is opened for two weeks prior to the revision period (refer to 4.9).

4.2.3 The University has the right

- a. to amend/disapprove the course pre-registration based on performance of the students
- b. to revoke the offering of pre-registered courses due to certain circumstances.

4.3 Adding Courses

Students may add courses before the end of week 1 of an academic semester but the approval to do so is subject to the availability of places in the classes concerned.

4.4 Dropping Courses

4.4.1 Courses may be dropped before the end of week 4 of an academic semester.

4.4.2 Students must apply to drop their courses. Reasons such as not attending lectures or tutorials or failure to submit coursework will not be considered as courses being dropped.

4.5 Withdrawing Courses (W)

- 4.5.1 Applications to withdraw registered courses must be made from week 5 to week 9 of an academic semester. Withdrawals are not allowed after week 9.
- 4.5.2 Courses withdrawn within the specified period will be recorded in the results slip as 'W', and this grade will not be calculated in the GPA for the respective semester.
- 4.5.3 A student must pay for the registration of the course that he has withdrawn from.

4.6 Repeat Course for Grade Improvement

- 4.6.1 Students who received grade C- and D for a course will be given ONE chance to improve those grades. For the purpose of CGPA calculation, the better grade will be counted. However, the new grade received will be taken in the GPA calculation for the current semester.

4.7 Verification of Registered Courses

- 4.7.1 Students are responsible to verify the correctness of their registration records by week 4 and to print their course registration via online.
- 4.7.2 After week 4, any correction of course registration record can only be done for:
 - a. Courses registered with the wrong course code
The correction must be supported by the Academic Advisor.
 - b. Change of grouping
The correction must be supported by the lecturer.
- 4.7.3 Students will be penalized at *minimum* RM50 for each course in 4.7.2.
- 4.7.4 After week 9, any correction to the course registration record **MAY** be allowed. Students will be penalized at *minimum* RM100 for each course.

4.8 Registration of an Audit Course

4.8.1 Some courses may be taken as an audit (additional) course, which is not part of the programme requirement, with the approval of the Dean.

4.8.2 A Student registered for an audit course must follow all academic activities.

4.8.3 Audit courses are to be given status 'AU' and will not be calculated in the student's GPA and CGPA. The credit of an audit course will not be considered for the fulfilment of the total credits to be completed for the respective programme.

4.8.4 Student must apply to register for an audit course during the registration period.

4.9 Summary of Registration Timeline

Activity	Duration	Detail

Add and Drop	2 weeks	Week 0 - 1
Drop Only	3 weeks	Week 2 - 4
Withdraw	5 weeks	Week 5 - 9
Verify and correction of Courses Registration Records	2 weeks	Week 3 – 4
Correction of registration record (with penalty RM50/course)	5 weeks	Week 5 - 9
Correction of registration record (with penalty RM100/course)	5 weeks	Week 10 until revision

Disclaimer: Some programmes may use different operation calendar

5.0 TYPES OF COURSES

5.1 University and Regulatory Compulsory Courses

5.1.1 These courses are deemed compulsory by the University or the Ministry of Higher Education or the Malaysia Qualification Agency. All students are required to pass these courses before they can be considered for graduation.

5.2 Core Courses

5.2.1 Courses that are determined by individual institutions according to their needs on specific programmes. These courses provide the basis for students' understanding of the practices of teaching and learning (MQA, 2014, p.32). These generally encompass Common Core courses and Discipline Core courses.

5.3 Elective Courses

5.3.1 Elective courses are related to the core courses. The elective courses enhanced the students' understanding of their programme of study.

5.4 Matapelajaran Pengajian Umum (MPU)

5.4.1 **The** Matapelajaran Pengajian Umum (MPU) is a qualification of general studies courses for universities in Malaysia as required by the Ministry of Higher Education Malaysia. It was formerly known as Mata Pelajaran Wajib (MPW).

5.4.2 All Malaysian and international students are require to complete the MPU courses as pre-requisite for the award of diploma or undergraduate degree.

5.4.3 The MPU covers within four (4) different categories:

- (a) U1: Penghayatan Falsafah, Nilai Dan Sejarah (Appreciating Philosophy, Values and History)
- (b) U2: Penguasaan Kemahiran Insaniah (Mastering Humanity Skills)
- (c) U3: Perluasan Ilmu Pengetahuan Tentang Malaysia (Broadening Knowledge About Malaysia)
- (d) U4: Kemahiran Pengurusan Masyarakat Yang Bersifat Praktikal seperti Khidmat Masyarakat dan Ko-kurikulum (Developing Practical Community-Minded Skills via Community Service and Co-curricular Activities)

6.0 CREDIT EVALUATION SCHEME

6.1 Course Credit

Each course will carry a specific credit value.

6.2 Credit Evaluation

One (1) credit is equivalent to forty (40) notional hours of student's learning time per course. Student learning time is calculated based on all learning activities including face to face and non-face to face/independent student learning time.

Examples of learning activities are as shown in the list below:

- i) Face to face interaction/Guided Learning with lecturers/instructors for example:
 - tests/quizzes
 - examinations
 - seminars/ invited speakers
 - tutorials
 - laboratory work
 - field work
 - studio work/ clinical work
 - project presentation
 - industrial placements
- ii) Independent Student Learning Time for examples
 - Preparing for lessons/ tutorials/ practical/presentation
 - Completing Assignments
 - Completing Project Work/ Final Year Project
 - Revising for Examination & Attempting Examinations

6.3 Credit Load per Semester

Students are advised to register not more than 21 credits per semester. Students are only allowed to register more than 21 credits in specific situations by submitting Appeal to Add Subject Form for Dean's approval. The approval must then be produced during registration.

6.4 Programme Credit Requirements.

- 6.4.1 The credits which need to be completed in programme depending on the requirement of that programme.

6.5 The Maximum Period of Study

6.5.1 The maximum period of study for students including those who have obtained credit exemptions /credit replacement is twice of the duration of study approved.

7.0 DEFERMENT OF STUDY

7.1 Students with illness certified by a medical officer and/or specialist can apply for study deferment. The deferment can only be for two semesters and will not be included into the number of semesters used for the study period.

7.2 Students who represent the University at an event at national or international level may defer their studies. The deferment can be for a maximum of two semesters and will not be included in the duration of their studies.

7.3 Application for deferment is allowed for reasons other than medical ground. The application can be made:

- a) before the beginning of the semester;
- b) before week 4 of the semester; or
- c) between week 5 to week 9

7.3.1 Students who deferred in (b) will have to pay their tuition fees accordingly and the record of their course registrations will be dropped.

7.3.2 Students who deferred in (c) will have to pay the full tuition fees; and his course grades will be recorded as 'W'.

7.3.3 No deferment is allowed after week 9.

7.4 First semester student who has successfully applied for a deferment may follow the programme structure of the cohort which he joins.

7.5 The deferred semester will be included in the duration of the student's study. The maximum duration allowed for each deferment is one year or two consecutive semesters provided that the student can still complete within the total period of study allowed (Refer to 6.5 for maximum period of study)

7.6 Students instructed to defer his studies or has been suspended due to disciplinary action will have the period of deferment counted into the number of semesters within the period of study.

- 7.7 Deferment for unregistered students
Students who did not register their semester and/or courses can be deferred for a maximum of two consecutive semesters. If they still fail to register in the following semester, they will be dismissed from the University.
- 7.8 Change of Status from Deferment to In Study
Students may apply to re-activate their registration status from 'Defer' to 'In Study'
- 7.8.1 Any request to activate a student registration status from 'Defer' to 'In Study' within the same semester, must be made to the Dean of the institute. This must be done by week 4.
- 7.8.2 For cases involving mental health, any request to activate the student's status from 'Defer' to 'In Study' must be made to the Dean of Institute and must be accompanied with the certificate of mental state.

8.0 CHANGE OF ACADEMIC PROGRAMME

- 8.1 Students can only change programme **ONCE**.
- 8.1.1 Application attempt stated in 8.1 (above) exclude any application made by students during the orientation week.
- 8.2 The approval to change from one academic programme to another must be obtained from the Dean of the Institute before the new semester begins.
- 8.3 The student will be registered as a first-semester student of the new academic programme.
- 8.4 The student is allowed to apply for credit transfer for all courses taken in the first programme,
- 8.4.1 Conditions of credit transfer are stated in 10.0 conditions for Transferring Credits and Exemption of Course.
- 8.4.2 The Credit Transfer application process as described in 11.0 Application for Credit Transfer and Course Exemption.
- 8.5 The student will follow the same programme structure that is being followed by the cohort that he later joins at the new programme.
- 8.6 The maximum study duration is based on the new academic programme.

9.0 CREDIT TRANSFER

9.1 A student is allowed to transfer credits for courses which he has already taken and passed at another academic programme prior to his admission into the University.

9.1.1 The student must not have failed the previous programme.

9.2 Credit transfer is divided in **two** categories.

9.2.1 **Vertical transfer** - transfer of credits from a completed lower level programme to his current programme of study which is of a higher level.

9.2.1.1 Credit transfer from Certificate (MQF Level 3) to Diploma (MQF Level 4) is allowed with maximum of 30% from the total credit to graduate (TCG).

9.2.1.2 Engineering Technician Education Standard 2020 allowed credit transfer from Certificate (MQF Level 3) to Diploma (MQF Level 4) with maximum of 50% from the total credit to graduate (TCG) based on Table 1.

9.2.1.3 Credit transfer from Diploma (MQF Level 4) to Bachelor (MQF Level 6) is allowed with maximum of 50% from the total credit to graduate (TCG) based on Table 1.

9.2.1.4 Advanced diploma students (who also hold a diploma) may consider credit transfer with maximum of 50% based on Table 1.

9.2.1.5 The Vertical Credit Transfer is **NOT ALLOWED** for credits gained at foundation level when the student continues his study at diploma and bachelor's degree level.

Table 1 :

Percentage Credit Transfer (%)	Minimum Grade of Course
1% – 30%	Grade C
31% - 50%	Grade B

9.2.2 **Horizontal transfer** – transfer of credits from a completed or incompleated programme of the same level of study as described in the situations below:

9.2.2.1 Students who already hold a qualification and wish to pursue their study for the second time at the same level using the said qualification.

9.2.2.2 Students who are currently enroll in a program and wish to switch to a different program in the same field.

9.2.2.3 Students who quit their studies and wish to resume their studies in a different program at the same level.

9.2.2.4 Item 9.2.2.1 until 9.2.2.3 - There shall be no limit of credit transfer allowed if the student has studied in UniKL. If the student is from other IHL furthers his/her studies the amount of credit transferable is subject to the residential requirement of UniKL.

9.2.2.5 Students who are currently pursuing a program and at the same time is taking course(s) from other IHL (for example; mobility program or student exchange program). Credit transfer is allowable subject to the residential requirement of UniKL.

9.2.2.6 Students who are currently pursuing a program and at the same time is taking course(s) from other IHL (for example; mobility program or student exchange program). Credit transfer is allowable subject to the residential requirement of UniKL.

Residential Year	Semester
Bachelor	1 Semester
Diploma	1 Semester

9.2.2.7 Horizontal Credit transfer for Matapelajaran Pengajian Umum (MPU) is allowed as long as he/she is not in failed status.

- U1 – credit transfer can be done in package (regardless of the course credit)
- U2, U3 & U4 need to comply with credit transfer procedure as per item 9.0

9.2.2.8 For other programmes, kindly refer to the respective programme standard for details.

9.2.3 Credit Transfer is also allowed for the following University courses.

9.2.3.1 Fundamental English

9.2.3.2 Foreign Language Courses

(a) Full Equivalent

If the student has passed any FL1 and FL2 courses at the previous Institution, and the said or another language is offered as FL1 and FL2 at the respective Campus, credit transfer is allowed for both FL1 and FL2.

(b) Partial Equivalent

If the student has only passed FL1 course but did not enroll/pass FL2 at the previous Institution, and the said language is offered as FL1 and FL2 at the respective Campus, credit transfer is allowed for FL1 course only.

(c) Not Equivalent

If the student has only passed FL1 course but did not enroll / pass for FL2 at the previous Institution, and the said language is not offered at the respective Campus, credit transfer is not allowed due to pre-requisite requirement.

9.2.3.3 Mathematics

9.2.4 Credit Transfer Through Micro-Credentials (MC)

9.2.4.1 Credit transfer for MC is guided by the three (3) categories as listed below and is further explained in UniKL Guideline on Micro-Credentials;

- (i) MC which are components of accredited programmes from UniKL only. The allowable credit transfer is 100%.
- (ii) MC which are components of accredited programmes from multiple HEPs. The maximum allowable credit transfer is 70%.
- (iii) Stand-alone MC. The maximum allowable credit transfer is 30%.

9.2.5 Credit Transfer Through MOOCS (CTM)

9.2.5.1 CTM is an integral part of APEL(C). As such, credits awarded through the CTM process shall not exceed 30% of the total graduating credits of a specific programme of study.

9.2.6 For credit transfer based on Accreditation of Prior Experiential Learning (C) or APEL (C),

9.2.6.1 the applications will be mainly from students who have attained desired competency level for the course. The credits earned will contribute towards the graduating credit but will not be counted towards the Grade Point Average (GPA) and the Cumulative Grade Point Average (CGPA).

9.2.6.2 the maximum percentage of credit transfer through APEL(C) is 30% of the total graduating credits of a specific programme of study.

9.2.6.3 This percentage is in addition to the credit transfer provision based on the existing formal credit transfer policy. The maximum credit transfer allowed through APEL(C) at the various MQF levels is as illustrated in Table 2.

Table 2: Maximum credit transfer allowed through APEL(C) at the various MQF levels

Award based on the Malaysian Qualifications Framework (MQF)	Minimum graduating credits	30% from the minimum credits of the coursework component
Level 6: Bachelor's Degree	120/140	36/42
Level 4: Diploma	90	27
Level 3: Certificate	60	18

9.2.6.4 Credits awarded through APEL(C) can be transferred to another programme within the same institution if the course for which credits have been awarded through APEL(C) has the same learning outcomes.

- (i) The credits awarded must be equivalent to the credit value of the course applied for APEL(C). Award of partial credits will not be allowed.
- (ii) Credits awarded for a course are only applicable to the specific course applied for. Credits are not automatically applicable to prerequisites (if any) of the specific course.

9.2.6.5 Assessment for credit award should be carried out separately for each course. Credit award cannot be granted on a block basis.

9.2.6.6 APEL(C) is applicable for all courses except for final year project-based courses and dissertations.

9.2.6.7 Student will have to identify the potential courses for APEL(C) in first semester.

9.2.6.8 Application will have a maximum one and a half year to complete their APEL(C) assessments and to obtained results.

9.3 All applications for Credit Transfers must fulfil the requirements in 10.0 below.

10.0 THE CONDITIONS FOR TRANSFERRING CREDITS AND EXEMPTION OF COURSES

10.1 The credit of a course may be transferred or exempted if:

10.1.1 the course (s) are of the same credit value or equivalent or more, to the course(s) in the new programme; except for courses listed under MPU U1 category in Horizontal Credit Transfer;

10.1.2 the course must be equivalent/similar to 80% in content based on comparison;

10.1.3 the course must be from an accredited programme (inclusive of Provisional Accreditation) from relevant authority are eligible for credit transfer; and

10.1.4 the student must have obtained at least a grade C or equivalent in the courses

10.2 For a combination of courses from the previous academic programme to be considered for credit transfers to one (1) University course, the student must have obtained a minimum of grade C in each of the courses being combined.

10.3 Course Exemptions

10.3.1 Course Exemption allows a student to be exempted from having to take a course but he must replace the credit in order to fulfil the required total credit to graduate.

10.3.2 Course Exemption applies to previous courses which were taken at another programme of study but the credit value of courses under this category is NOT recognised as fulfilling the credit requirement to graduate in the current programme of study. Students need to register in other course to fulfil the required credits to graduate. The value and grade of the replacement courses will be calculated into the student's GPA and CGPA.

11.0 APPLICATION FOR CREDIT TRANSFER AND COURSE EXEMPTIONS

11.1 All applications for credit transfer must be accompanied with:

- (i) the certified copies of the original transcript or examination results, and
- (ii) syllabus or outline of the courses from the relevant institutions.

11.2 Students wishing to undergo temporary studies in 9.2.2 (ii) in a different institution recognized by the University must obtain a prior written approval from the University.

11.3 Applications must be made

- (i) within the first semester for new students, or
- (ii) before the end of the final examination week of the first semester for student who change his programme or for student returning to the University after undergoing mobility programme (refer to 9.2.2(ii))

12.0 GRADE SYSTEM

12.1 Grade and Point Values

12.2 A student's performance in a course is reflected by the grade received.

12.3 The relationship between the Grade and Point Value is as shown in Table 3

Table 3: The Relationship between Grade and Point Value

Mark	Grade	Point Value	Status
80 - 100	A	4.00	PASS
75 - 79	A-	3.67	
70 - 74	B+	3.33	
65 - 69	B	3.00	
60 - 64	B-	2.67

80 - 100	M	Merit	Pass
50 - 79	S	Satisfactory	Pass
0 - 49	F	Fail	Fail

Table 5: The Relationship between Grade and Status for Co-Curriculum

Mark	Grade	Description	Status
40 - 100	S	Satisfactory	Pass
0 - 39	F	Fail	Fail

12.4 Passing Grade

12.4.1 The general passing grade for all courses is D and above except for Industrial Training and Co-curriculum. However, in some UniKL programmes, the passing grade for each course may depends on the requirements of the institute which have been endorsed by the Senate.

12.5 Passing a Technical Course

12.5.1 In some programmes, students are required to pass both or one of the assessments components of a course before he is considered to have pass a course.

12.5.2 This is typical for programmes with professional or industrial accreditations.

12.6 Grade Points

12.6.1 The points are counted by taking the total credit for a particular course and multiplying it with the point value of the grade received for a particular course. For example a student who receives an A in Calculus which carries 3 credits receives 12 grade points for the course (3 credits x 4.00 point value for an A).

12.6.2 The semester grade point is the total grade points from all courses taken in one semester.

12.7 Calculating the GPA and CGPA

12.7.1 The Grade Point Average (GPA) is defined as the total grade point received by a student in a semester divided by the number of credit calculated in that semester.

$$\frac{\text{Total Grade Point for one semester}}{\text{Total Credit Calculated for one semester}}$$

12.7.2 The Cumulative Grade Point Average (CGPA) is defined as the sum of all the semester grade points divided by the total credit hours counted for all semesters.

$$\frac{\text{Total Semester Grade Points for All Semesters}}{\text{Cumulative Credit Calculated for All Semesters}}$$

Please refer to Appendix 1 for examples.

12.8 Re-Sit Examination

12.8.1 The re-sit examination is allowed for a student who fails, not more than 2 courses in his final examinations, to attempt the re-sit at the time and date scheduled after the release of the results;

12.8.2 The student must already attained at least 40% of his total coursework marks for the failed courses attempted in 12.8.1.

12.8.3 The students need to be advised that:

- i) the marks of the re-sit examination taken will be added to his coursework marks to decide on the results of the course;
- ii) the student will attain not more than C grade or otherwise stipulated by the respective professional or governing body.
- iii) he will need to pay RM50 administration fee per course.
- iv) the marks and grade will affect the student's GPA or CGPA
- v) If he fails the re-sit examination, he will have to repeat the course when it is offered for next registration.

12.9 Repeating Courses

12.9.1 Students who failed a course are required to repeat the failed course during their study if they does not fulfill the condition in 12.8 or he/she fails the re-sit examination. For the purpose of calculating the CGPA, the failed course will be replaced with the best grade received.

12.10 Status Other Than Grades

12.10.1 Other than the A, B, C, D, F above, the following status are also used:

12.10.1.1 I = Incomplete. The Incomplete (I) status is awarded to students who fail to sit for an examination or fail to complete assignments such as projects and such, in the time given, due to illness and supported by verifications by a Medical Officer or for other reasons with the approval of the Dean. The student is required to sit for a special examination as replacement for the initial examination or finish the incomplete assignment at a date to be fixed by the Dean. An appropriate time extension will be considered but the grade for the course must be available to be endorsed at the next Senate meeting.

12.10.1.2 IP = In Progress. This status is given to students at the end of the first semester of their Final Year Project. This status indicates the work progress of the students before a final grade is awarded in the later semester. The grade is applicable to all bachelor students who register for the part I of the WPB49806 Final Year Project.

12.10.1.3 IS= In Complete due to alleged breach of Academic Integrity pending results of enquiries.

12.10.1.4 :CT= is given to students who have been granted credit transfer for certain courses in accordance to relevant regulation.

12.10.1.5 CE = is given to the course which has been granted Course Exemption.

- 12.10.1.6 S = Satisfactory and F=Failed. This status is given to courses such as Industrial Training and Co-Curriculum.
The S status will be given to students who have fulfilled the requirements satisfactorily. The S status is not calculated in the GPA and CGPA. A student who obtains an 'F' status is required to repeat the course to qualify for an 'S' status.
- 12.10.1.7 M = Merit. This status is given to students who obtained \geq 80% in the Industrial Training assessment. The status M will be given to students who have fulfilled the requirements excellently. The 'M' status is not calculated in the GPA and CGPA.
- 12.10.1.8 W = course Withdrawal. This status is given to students who withdrew a registered course within the allocated time, as provided for in 4.4. The subject will not be calculated in the GPA.
- 12.10.1.9 AU = Audit. This status will be given to students who have registered for a course which is not in the programme requirement and will not be calculated in the student's GPA or CGPA.
- 12.10.1.10 XB = Bar from Examinations. This status will be given to students who fail to attend more than 80% of lessons. Students with this status are considered to have failed in the final examination and also in the overall assessment of the course.
- 12.10.1.11 XA =Absent during Final Examination. This status will be given to students who fail to attend the final examination without medical reason or approval by the Dean.
- 12.10.1.12 XM=Examination/Academic Misconduct. This status is given to students who have been failed due to commission of examination or academic misconduct.
- 12.10.1.13 Students with Grade XB, XA and XM will be given grade point of 0.00.
- 12.10.1.14 The XB, XA and XM will appear in their examination results slips but will not appear in their academic transcript.
- 12.10.1.15 CT (APEL) - the status of a course which have been awarded credit through Accreditation of Prior Experiential Learning (C) ((APEL C)).

13.0. ATTENDANCE

- 13.1 Students must attend all classes and other instructional activities conducted by the University.
- 13.2 Students with less than 80% attendance from the total contact hours for the courses with final examinations, without reasons acceptable by the Dean, are not allowed to sit for the final examination of the course.
- 13.2.1 The subject affected in 13.2 will be given status XB. The student is deemed to have failed the course.
- 13.3 Students with less than 80% attendance from the total contact hours for the courses without final examinations, without reasons acceptable by the Dean, no further evaluation on coursework will be allowed and students will be given an overall Grade F.

14.0 ELIGIBILITY TO SIT FOR FINAL EXAMINATIONS

- 14.1 Students shall not be allowed to attempt the examination for courses which they have not registered for.
- 14.2 Students must pay for their university fees prior to sitting for their examination. Otherwise students will be barred from taking the examinations.

15.0 EVALUATION SCHEME

15.1 Course Evaluation

- 15.1.1 Assessments for each course will be carried out periodically and continuously based on work done within the academic weeks in a semester in the manner determined by the Institute or in accordance with University's approval.

15.2 Types of Assessment

Students' performance is assessed in the following manner:

- 15.2.1 Coursework through tests, assignments / project and quizzes. Contribution from coursework should not be more than 60% except for courses which are assessed entirely based on coursework. However, in some courses the contribution for coursework may depends on the requirements of the institute which have been endorsed by the Senate.

- 15.2.2 Final Examinations will be held at the end of each semester for each course taken. Not more than 40% from the total marks are to be allocated for the final examinations. However, in some courses the contribution for final examination may depend on the requirements of the institute which have been endorsed by the Senate.
- 15.2.3 Final examinations must be held within the allocated time and in modes approved by the University.
- 15.2.4 All students, *with* the exception to barred students, are required to sit for the final examinations of courses which they have registered for.
- 15.2.5 Students who fail to sit for the final examinations:
- a) with reasons acceptable to the Dean, will be given an 'I' (Incomplete) status for the course and will be required to sit for a special examination session to change that status.
 - b) without reasons or with reasons not acceptable to the Dean, the student will be given an 'XA' for the course and is required to repeat the course.
 - c) due to poor attendance record and are barred from examinations, will be awarded with grade 'XB' for the course and is required to repeat the course.
- 15.3 Announcements of the Provisional Examination Results
- 15.3.1 Provisional Results of 'Pass' or 'Fail' may be released to students after the University Examination Board meeting. However the results are subject to Senate's endorsement.
- 15.3.2 Students who wish to appeal against their academic standing may do so based on the Provisional Results.
- 15.4 Announcement of the Official Examination Results
- 15.4.1 The Official Examination Results will be announced after the endorsement by the Senate of the University.
- 15.4.2 The Official Examination Results are released to students who do not have any outstanding University fees.
- 15.4.3 The student's results may be released to a third party as agreed by the student (in writing) and if the student has no outstanding University fees.

16.0 ACADEMIC STANDING

- 16.1 Students' academic performance and standing are evaluated using the Cumulative Grade Point Average (CGPA) and is applicable to all **compulsory** semesters.
- 16.2 The term '**Good Standing**' (**GS**) or '**Pass**' is given to students with **CGPA \geq 2.00**.
- 16.3 "**Probation**' (**P**) is for students with CGPA < 2.00.
- 16.4 Students with "**Probation**' (**P**) status will be placed under Academic Probation Period in the following semester.
- 16.5 The Academic Probation Period will end when the student achieves CGPA \geq 2.00.
- 16.6 Status of Probation (P) is divided into two (2) categories:
- 16.6.1 P1-First Probation
The student has acquired a **CGPA of more or equal to 1.67 but less than 2.00** in a semester, for the first time.
(1.67 \leq CGPA < 2.00)
- 16.6.2 P2-Second Probation
The student has acquired a **CGPA of less than 2.00 but more or equal to 1.67 after he has obtained a P1 status**.
(1.67 \leq CGPA < 2.00 after P1)
- 16.7 During the Academic Probation Period, the student is not allowed to register for more than 12 credits. However, the Dean will have the discretion in determining the number of courses appropriate for the student to register.
- 16.8 The status of **Failed and Out (F&O)** will be given to a student if he obtains:
- 16.8.1 CGPA < 1.67 at any examination
- 16.8.2 CGPA < 2.00 after P2
- 16.9 The range of CGPA mapped to the Academic Standing is summarized in Table 5

Table 5: The Range of CGPA Mapped to the Academic Standing

Academic Standing	CGPA Range
Good Standing (GS)	CGPA \geq 2.00
Probation 1 (P1)	1.67 \leq CGPA < 2.00
Probation 2 (P2)	1.67 \leq CGPA < 2.00 after P1
Failed and Out (F&O)	CGPA < 1.67 or CGPA < 2.00 after P2

16.10 The UniKL Senate will determine the status of students who have attained GPA < 1.00 AND with CGPA > 1.67.

16.10.1 The UniKL Senate may decide, based on the institute's recommendation, one of the decisions below:

- i. allow the student to continue with his studies
- ii. instruct the student to defer his study for one semester
- iii. terminate the student's study status

16.11 Breach of the Examination Rules and Regulations

The course attempted by the student who has been reported to have breached the examination rules and regulations will be given the status of 'IS' pending the results of the Academic Disciplinary enquiries. If the reported breach is proven and the student is penalized, the grade XM will be awarded for that course.

17.0 DEAN'S LIST

17.1 The Dean's List is awarded to students with GPA \geq 3.50. Students must have registered for a course load of not less than 12 credits and have not obtained less than C grade for any course in the current semester.

17.2 Some programmes may observe different Dean's List requirements.

17.3 The respective Institute will issue a Dean's List certificate to the students receiving the awards.

17.4 Students' results slip will carry the Dean's List award notation.

18.0 GRADUATING

18.1 Graduation Requirements

18.1.1 Students are awarded the Diploma/Bachelor's Degree when they fulfill the following criteria:

- (i) Passed all the required courses and complete the minimum credit to graduate for the academic programme;
- (ii) Obtained an overall CGPA ≥ 2.00 .
- (iii) Fulfilled all other academic requirements to graduate

18.2 Verifying Study Completion Status

18.2.1 Students in their final semester are required to verify their study completion status for graduation purposes.

18.3 Classifications of Qualification

18.3.1 The classifications of qualification of Universiti Kuala Lumpur Bachelor Degree programme is summarized in Table 6.

Cumulative Grade Point Average (CGPA)	Class
3.50 - 4.00	First Class
3.00 - 3.49	Second Class Upper
2.00 - 2.99	Second Class Lower

As endorsed in Senate 1/2005 (22 March 2005)

19.0 ACADEMIC APPEALS

19.1 Appeals to Review Assessment

19.1.1 Appeals for re-assessment of the final examination can be made by filling the 'Appeal on Examination Grade' form.

19.1.2 The student's answer scripts will be re-assessed.

19.1.3 Applications must be made to the respective Dean, within 14 days after the announcement of the official final examination results.

19.1.4 A payment of RM100.00 per course is required for re-assessment.

19.1.5 The payment is **refundable** if the advised grade is **higher** from the grade obtained earlier. However, if the revised grade is **lower or unchanged**, the processing fee will **not be refunded**.

19.1.6 Once the final results have been released, the review coursework are not allowed for coursework already released via the official student portal, by lecturers during the semester

19.1.6.1 However, the review of coursework may be allowed if the student can show that the coursework in question has not been released in the manner prescribed in 19.1.6.

19.1.6.2 The review above must be allowed only with the Dean's permission.

19.1.6.3 A payment of RM100.00 per course is required and the payment is **refundable** if the advised grade is **higher** from the grade obtained earlier. However, if the revised grade is **lower or unchanged**, the processing fee will **not be refunded**.

19.2 Appeals for Re-Admission

19.2.1 ONLY ONE re-admission after withdrawal or termination of studies is allowed for students.

19.2.1.1 who withdrew or terminated from study (refer 7.7);
or

19.2.1.2 who have been terminated by the University on academic reasons (refer 16.8);.

19.3 Students whose studies have been terminated based on academic reasons (refer 16.8) may appeal to the Dean of the respective institute within 14 days after the announcement of the official results.

19.4 If the appeal is rejected at institute level, student may further appeal to the Senate Appeal Committee.

19.5 The decision made by the Senate on appeal is final.

Appendix 1

Example 1

1. Calculation of the Grade Point Average (GPA) is as shown below:
 - a) The Grade Point Average (GPA) is defined as the total grade point received by a student in a semester divided by the number of credit hours counted in that semester.
 - b) The semester grade point is the total grade points from all courses taken in one semester

$$\text{GPA} = \frac{\text{Semester Grade Points for one semester}}{\text{Total Credit Calculated for one semester}}$$

Example 1

Semester 1

Course	Grade	Point Value	Credit	Point Value x Credit (Grade Point)
ABC12103	A	4.00	3	12.00
DEF10452	C	2.00	2	4.00

EXAMINATION RULES AND REGULATIONS

20.0 COMMISSION OF AN ACADEMIC OFFENCE

20.1 Academic offence is actions which would have the effect of unfairly promoting or enhancing one's academic standing within the entire community at an Institute of Universiti Kuala Lumpur.

20.2 There are two categories of academic offences.

20.2.1 Academic Misconduct

20.2.2 Examination Misconduct

20.3 The **Academic Misconducts** are as listed below, the list is however, not exhaustive.

20.3.1 **Plagiarism**

Plagiarism consists of, but is not limited to, copying portions of the writing of others with only minor changes in wording, with (a) inadequate footnotes, quotes, or other reference forms of citation or (b) only a list of references. Paraphrasing without appropriate citation is also plagiarism.

With group work, where individual members submit parts of the total assignment, each member of a group must take responsibility for checking the legitimacy of the work submitted in his/her name. If even one part of work contains plagiarised materials, penalties will normally be imposed on all group members, equally.

20.3.2 **Collusion**

Collusion is when a student or students collaborate with another student or students as an individual or group with the intention of cheating to gain a mark or grade to which they are not entitled. Students who allow another to copy their work are also committing collusion and both copier and the provider of the work are liable to be penalized.

20.3.3 **Fraud and forgery**

The commission of fraud and forgery include but not limited to falsification of University academic records, including attendance records, medical certificate and other records regarding oneself or others, forging the signature on any official University forms, altering or changing an examination results or like document so as to mislead other or causing false information to be presented at an academic proceeding.

20.3.4 **Fabrication or misrepresentation**

The presentation of fabricated data, results, references, evidence or other material or misrepresentation of the same. For example:

- claiming to have carried out experiments, observations, interviews or other forms of research which a student has not , in fact, carried out;
- claiming to have obtained results or other evidence which have not, in fact, been obtained;
- in the case of professional qualifications, falsely claiming to have completed hours in practice or to have achieved required competencies when this is not the case;

20.3.5 **Abuse of Resources**

Infringing upon the rights of other students to fair and equal access to any University library materials, labs and comparable or related academic resources as well as the University's computer system.
